ABOUT ME

Hi, there. I am a Web Designer and email Template designer with 4 years of experience. I have completed many projects in the previous period of time. I am also associated with an IT firm as a senior Designer so you can trust me and select me for your project. I am always a dedicated working person. Client satisfaction is my first priority.

RECENT WORK

FLOWY LANDING PAGE

This is the design of the landing page of an instant AI service provider company

- Used HTML5 & CSS3 for markup and style.
- Used Bootstrap for auto responsive across devices.
- Used JavaScript and jQuery for adding functionality.
